

HARBOR FABRICATION CO. - OPERATIONS MEMO

Memo ID: MEMO-2026-044

Date: July 27, 2026

From: Dana Whitcombe, VP of Supply Chain

To: Purchasing, Logistics

Subject: Temporary air-freight authorization

From August 3, 2026 through November 2, 2026, international shipments for confirmed production orders may move by air. Air freight cuts the effective lead time of an international supplier by 10 days (but never below 5 days).

Each air-freight request needs Sourcing Manager approval. Expect \$6 to \$9 per kg. Total air-freight spend under this memo is capped at \$20,000.
