

HARBOR FABRICATION CO. - QUALITY MEMO

Memo ID: MEMO-2026-051

Date: September 14, 2026

From: Quality Engineering

To: Purchasing, Receiving

Subject: Circuit board quality hold

1. Every circuit board shipment (ITM-4405) must arrive with a Certificate of Conformance that includes cross-section test results.
2. Until the supplier review is complete (expected in 45 to 75 days), boards may only be bought from suppliers whose board shipments we have already received and accepted.
